Owner's Comments: Introducing an exciting young stallion for North American breeders. Debonair MF is from the first foal crop of the FEI stallion Doctor Wendell MF. Doctor Wendell earned strong finishes at the US Young Horse, Developing PSG, and Developing Grand Prix Championships. He won the U.S. Dressage Finals and many USDF/All-Breeds awards before being exported to Europe. Grand sire Don Principe has been competing at the Grand Prix level for 10 years and was the 2017 US U-25 Grand Prix Champion. The talent for the FEI runs deep in this family. A successful in-hand youngster, Debonair's early wins included the Two-Year-Old Colts/Geldings and the Colts/Geldings Championship of Dressage at Devon where he earned scores as high as 83%. His full-siblings have also done very well out showing, including Danae MF who was the USDF Champion for Weanling Fillies in 2014 and won the USDF Traveling Trot Trophy with a median score of 84.9%. In 2017, Debonair debuted in the USEF Four-Year-Old division. He easily qualified for the U.S. Young Horse Championships and finished in 5th place overall. He is bright, quick to learn, very confident, and shows all the composure and confidence needed for a good show horse. Debonair was licensed by the AHS and ISR/Oldenburg in the summer of 2017. He will be available for breeding for the first time in 2018 and we're looking forward to seeing the continued influence of this family through this next generation.
