Owner's Comments: Pedigree, performance, and most importantly an incredibly strong record as a sire make Olivi a top contender for dressage breeders. Olivi is sired by Jazz, one of the most significant sires in modern dressage breeding. An international competitor himself, Jazz is consistently on the top of the WBFSH Sire Rankings and is the sire of international stars such as Johnson, Parzival, and Vancouver K. Damsire Aktion competed in the European Championships, World Equestrian Games, and Olympics. Olivi's dam descends from the famous Utopia mare line, one of Holland's prized mare families. Olivi was Reserve Champion of his KWPN Stallion Selection. As predicted from his pedigree, he was a dressage star, quickly moving up the levels. His competition record includes placings in the PAVO Cup Finals, the French Young Rider Championships, and at the CDI Grand Prix level. However it is his offspring that are the true calling card of this stallion. Olivi's offspring have earned him the incredibly high Dressage Index of 175 and he is ranked 2nd behind his sire on the KWPN Sire Rankings. He has sired many Keur/Elite daughters, two approved sons, and is the damsire for additional licensed stallions. His offspring have been consistent winners from the Young Horse classes up through Grand Prix in both Europe and the US. With his move to the U.S. and Hilltop, we now look forward to many new Olivi offspring making their mark in the dressage world.
