**Owner's Comments:** We believe that Rohmeo is a nice addition to the list of stallions available to North American breeders who need or prefer fresh cooled semen. His sire Royal Prince was listed as a top sire for both dressage and hunter in the USEF rankings year after year. We believe that Rohmeo may be a good choice for both as well. Rohmeo's dam SPS Elite Lady Rubina has multigenerational SPS Elite mares on her bottom line and is from the mare line of Rudilore, that of the stallions Romanov, Rubin Royal and Couleur Rouge to name a few. Inschallah x is found in both his sire's and dam's pedigree in the 4th generation. Rohmeo's recent competition record includes: 2017 USDF Region 7 Reserve Champion for both First Level Dressage and DSHB Stallions 4-years-old and over; Oldenburg Horse Breeders Society, USDF All Breeds Awards, Champion Stallion and 4th place at First Level dressage. 2016: Champion USDF All Breeds, OHSB for USEF Four-Year-Old dressage. His first three foals arrived in 2017. They are described by their owners as long-legged, good movers with pretty heads and faces. Photos of his foals may be found on our website. We are very much looking forward to having Rohmeo on the Hanoverian stallion roster for 2018.
