Total Amount Due:	\$	
3. Visa	\$	
Total Payments - Thank you:	\$	
New Balance Due:	\$	

NOTES:

⁴ Owner questioned front distal limb and hoof conformation

Exam: Horse has straight legs with good feet but sl low pastern angle which does not allow proper phalangeal alignment in the resting position; Horse is currently sound at a trot in a straight line and circles both directions; Negative flexions;

Recommend normal workload for this horse
