Owner's Comments: Centre Pointe is a 2013 16.2hh Holsteiner stallion by Chambertin out of Vanda III by Cassini I. He has obtained breeding approval through Westfalen Book 1, Oldenburg GOV, Oldenburg N.A. and Mecklenburg in Germany with exceptional scores. In 2017 and 2018 he attended the very first 3-Day Stallion Sport Test held at Polyrich Farm California where he earned top scores for jumping and a 9 for rideability. Centre Pointe brings North American breeders rare direct bloodline to Chambertin. Although Chambertin had a short breeding career he has left a mark on the sport with many top-level competitors. Chambertin himself, twice won the qualifier for the finals at the German Young Horse Championships and was proclaimed Holsteiner County Champion in 1999. He produces top show jumpers on a continual basis. He is the sire of Laura Krauts Cedric, Cobos, Chamby, Chicago 84, and approved stallion Chacco Blue. Centre Pointe's damline STAM 7126 is well sought after. His second dam Wilga is the dam of Ashlee Bond's Cadett 7. Centre Pointe has earned top placings over fences in both the hunters and jumpers. He has placed in the top three in the Derbies in 2018. His first foal crop to hit the ground was in 2017. They are tall, good-minded and carbon copies of their sire. His second crop are very much the same as the first group. Centre Pointe adds chrome as well as a good mind.
