

Drew Kemerling

To You

10:13 AM

Hi Adelyn,

I won't be able to get you a DNA kit [until Wednesday](#) when I can enter this information, but this page is certainly enough to get started with it. It looks like I have DNA on both parents so I'll be able to send you a kit on Wednesday. You can tell the buyer that registration is officially in process!

Kindest Regards,

Drew Kemerling
