To whom it may concern:

"Journey" owned by Lynn Litchfield of Suwanee, GA was examined on October 19, 2020 for sale. At that time, he was noted to have a mild lameness of the right front limb that was mildly positive to (exacerbated by) flexion of the digit. This is consistent with his previously diagnosed arthritis.

Prior to evaluation for sale, he has been serviceably sound\* for his intended use: low-level hunter-jumper work. He is ridden consistently by the trainer of Townley Equestrian Center, Allison Townley of Randleman, NC, without issue.

If you have any questions or concerns regarding this assessment, please contact me.

Sincerely,

Kaitlin A. Mielnicki, DVM
