Dear Prospective Buyer:

Thank you for your interest in our Buckeye Bonanza sale horses this year! The purpose of this letter is to inform our prospective buyers of the following information on each horse:

- Any performance or pedigree highlights.
- Any known physical or behavioral problems.
- Our opinion of what uses, disciplines, or sports for which each horse might be well-suited.
- Our opinion of what experience level owner or rider each horse needs at this time.

Please be aware that although every effort has been made to completely disclose any known factors that might be considered negative, there is *no guarantee that an oversight will not occur*. Should an oversight occur, The Ohio State University and its agents cannot be held responsible.

Ms Elliott (Ellie) was foaled at The Ohio State University Equine Facility in March 2018. She is sired by one of our herd stallions, CL Tuff Buck who is an ABRA World Champion and AQHA halter and performance point earner in Western Pleasure. Ellie's dam, Ms Ivy's Invitation, is a daughter of Invitation Only, an AQHA and NSBA Hall of Fame stallion and AQHA all-time leading sire of point earners whose offspring have won numerous AQHA World Championships, Congress Championships, and Reserve Championships. Her maternal granddam, Flowers Ms Ivy, earned more than 200 AQHA points in Western Pleasure, Trail, Showmanship and Halter classes.

Ellie has been handled by our students consistently since birth. She was started under saddle this spring in the Advanced Equine Behavior & Training class with student trainer Addie Anspaugh and continued her training this semester with student Brittanie Beddow. Ellie has no behavioral or physical problems of which I am aware. A copy of her health records and training journals are included in her sale portfolio.

Ellie has been ridden in the arena, around the farm, and hauled to Mohican State Park and Lobdell Reserve for trail riding. She is a quick learner, has three correct gaits, and maneuvers obstacles with ease. With continued training, she could do well in Western and English disciplines and is an excellent all-around prospect. Due to her limited experience under saddle, she is suitable for an intermediate or experienced rider at this time.

Sincerely,

Kimberly Cole, Ph.D.

Bitting/Tacking	<input type="text" value="3"/>	<input type="text" value="3"/>	Stood fine for saddle. Pulled her head up high when presented the bridle. Refused the bit, but accepted after consistent attempts.
Longeing	<input type="text" value="4"/>	<input type="text" value="4"/>	Was very willing to hold a steady lope. Picked up the wrong lead a couple times, but corrected. Minor pull against the lead. Transitioned gaits nicely.
Ground Work	<input type="text" value="3"/>	<input type="text" value="3"/>	Stopped along with my body and backed well. Crossing her front legs, but moving both back feet instead of pivoting.
Under Saddle	<input type="text" value="3"/>	<input type="text" value="3"/>	Was bending and giving into pressure better on the circles. Slow trot, but not consistent. Working on bending at the poll and accepting leg pressure. Will stop and back a couple steps well.

Basic Handling & Grooming	5	Did not tie her up to groom and she stood quietly the whole time for me. Gave me her feet no problem
Ground Work	4	We worked on showmanship and she just pins her ears but trots well with me. Tried to keep moving when we stopped
