Dear Prospective Buyer:

Thank you for your interest in our Buckeye Bonanza sale horses this year! The purpose of this letter is to inform our prospective buyers of the following information on each horse:

- Any performance or pedigree highlights.
- Any known physical or behavioral problems.
- Our opinion of what uses, disciplines, or sports for which each horse might be well-suited.
- Our opinion of what experience level owner or rider each horse needs at this time.

Please be aware that although every effort has been made to completely disclose any known factors that might be considered negative, there is *no guarantee that an oversight will not occur*. Should an oversight occur, The Ohio State University and its agents cannot be held responsible.

Kings Urban Legend (Meyer) was foaled at The Ohio State University Equine Facility in April 2018. He is sired by Nitas Last King, a son of Little King Freckles who is an NCHA money earner. Meyer's paternal grandsire is the legendary AQHA Hall of Fame Stallion, Peppy San Badger. His maternal grandsire, Sir Quincy Dan, is a sire of AQHA Champions and ROM earners.

Meyer has been handled by our students consistently since birth. He was started under saddle this spring in the Advanced Equine Behavior & Training class and continued his training this semester with student trainer Alyssa Garrison. Meyer has no behavioral or physical problems of which I am aware. A copy of his health records and training journals are included in his sale portfolio.

Meyer has been ridden in the arena, around the farm, and hauled to Mohican State Park and Lobdell Reserve for trail riding. He is a quiet, responsive gelding that maneuvers obstacles with ease. With continued training, he could do well in a variety of ranch horse classes or out on the trail. Due to his limited experience under saddle, he is suitable for an intermediate rider at this time.

Sincerely,

Kimberly Cole, Ph.D.
