Dear Prospective Buyer:

Thank you for your interest in our Buckeye Bonanza sale horses this year! The purpose of this letter is to inform our prospective buyers of the following information on each horse:

- Any performance or pedigree highlights.
- Any known physical or behavioral problems.
- Our opinion of what uses, disciplines, or sports for which each horse might be well-suited.
- Our opinion of what experience level owner or rider each horse needs at this time.

Please be aware that although every effort has been made to completely disclose any known factors that might be considered negative, there is *no guarantee that an oversight will not occur*. Should an oversight occur, The Ohio State University and its agents cannot be held responsible.

Nitas Dancin Blonde (Blondie) was foaled at The Ohio State University Equine Facility in March 2019. She is sired by Nitas Last King, a son of Little King Freckles who is an NCHA money earner. Blondie's paternal grandsire is the legendary AQHA Hall of Fame Stallion, Peppy San Badger. Her maternal grandsire is NHF Peppy Spark, an ARHA World Champion, who is sired by the legendary AQHA Hall of Fame stallion, Shining Spark.

Blondie has been handled by our students consistently since birth. She was started under saddle this semester in the Advanced Equine Behavior & Training class with student trainer Gabby Gugliemotto. Blondie has no behavioral or physical problems of which I am aware. A copy of her health records and training journals are included in her sale portfolio.

Blondie has been ridden in the arena, around the farm, and hauled to Mohican State Park and Lobdell Reserve for trail riding. She is an athletic, responsive mare that maneuvers obstacles with ease. With continued training, she could do well in a variety of disciplines. Due to her limited experience under saddle, she is suitable for an intermediate or experienced rider at this time.

Sincerely,

Kimberly Cole, Ph.D.
