Once embryo is sold to buyer at the Pro Fit Equine Millionaire Sale on November 11, 2021 the new owner will take over the below care cost on Recipient mare that is carrying the embryo in utero that buyer purchased. As long as all fees listed have been paid on mare and baby the Registration Application will be mailed to buyer ASAP after baby has been weaned,

If buyer wishes baby to stay at Booth Ranches after it is weaned there will be a boarding fee of \$525/month on baby.

Discounted Board at Booth Ranches -
Board for mare includes -

\$350/month on pasture with feed
Cubes and Grass Hay AM/PM
Grain with Arenus Eq-Well supplement in AM
All pre foaling vaccinations and worming
Minor wound car with medication
Banamine and Antibiotic as needed
(If mare needs veterinary attention it will be at the cost of the new owner that bought her out of the Pro Fit Millionaire Sale)

Trim Fee for Mare and Baby -

\$50 at new owners expense

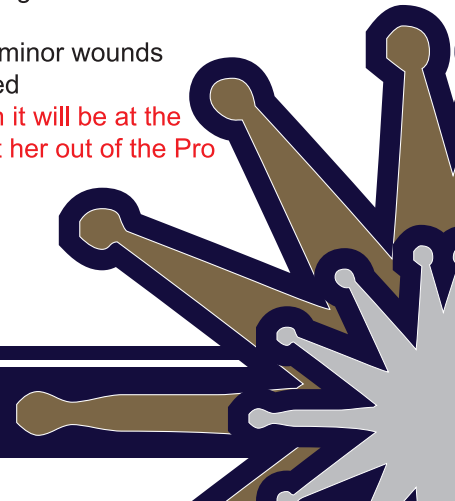

Foaling fee -
Plasma Administration fee -
Board while at Foaling Ranch -

\$450
\$425
\$20/day
(Approx. 2 Weeks before mares due date she will go to the Foaling ranch, Hanson's River Ranch, to be foaled out. After the foal is one week old they mare and baby will come back to Booth Ranches where they will stay until baby is weaned and owner pays for foal to be hauled to desired location)

Once mare and baby are back at Booth Ranches they will return to pasture board of \$350 for both of them as stated above.

NO COST TO NEW OWNER -

We will halter break the baby
Teach it to tie and stand for trimming
Give Vaccination and wormer
Administer minor medications for minor wounds
Banamine and Antibiotic as needed
(If baby needs veterinary attention it will be at the cost of the new owner that bought her out of the Pro Fit Millionaire Sale)

Re: Recipient Mare Return Contract

Buyer of the 2022 in utero embryo sold in the Pro Fit Equine Millionaire Sale agrees to return Recipient Mare that is carrying said foal in good condition to JM Equine Management, after baby is weaned. Once recipient mare is received by JM Equine Management the Registration Application for foal will be mailed to buyer immediately.

If recipient mare is not returned to JM Equine Management the buyer will need to pay JM Equine Management \$5,000 in order to get the foals Registration Application.

Buyer of 2022 embryo _____ (Signature) _____ (Print Name)

Please return Recipient Mare to:

JM Equine Management
Jan Martin - 805-331-4087
