BIO AND PERFORMANCE RECORD:

Balt'Amour has a fantastic, easy jump with beautiful bascule, is very athletic, has hack winning movement, a great personality, is easily trainable, quiet and comfortable to ride. No prep besides warming up needed to get into the ring and win.

His first foal, Bragging Rights MF won the 2011 Finals of the 2 year old jump chute division at the SCF YHS at WEF with 9's each time through. The year before he also won at Devon in the yearling colt division. All of his foals are very consistent, can only be black or bay and most have lots of chrome!

The only Hunter Stallion to pass the NA 70-Day stallion test with high scores in all phases of Jumping and Dressage, Balt'Amour got 9.5's for Character, Rideability, Constitution, etc. Approved for BWP/NAD Belgian Warmblood, RPSI, and Oldenburg NA.

Balt'Amour's bloodlines are impeccable. His dam Papillon (premium Holsteiner) is by Ariadus (54 bonits & premium) who is #3 in the USEF Jumper Sires list. Ariadus is sired by Acord II, performance test winner, scoring 10 for showjumping, and 9.67 for rideability, overall score 146.04 (138.26 in dressage and 148.47 in jumping). Ariadus is out of a 48-bonit States Premium mare line bred to Ladykiller and includes two legendary mares, Folia, the dam of the Holsteiner legend Capitol, and Heureka Z, the foundation broodmare of the Zangersheide stud.

Papillon's dam, grand dam and great-grand dam are all premium or elite mares. Her dam, our own La Laureate, (46 bonits), is by Cheenook (Caretino-Ramiro Z). Cheenook has progeny in both the jumping and dressage, had a jumping index of 157, was the #1 USEF Leading Hunter Sire in 2008 and the #2 Leading Hunter Sire in 2007.

Papillon's grand-dam, Lilly, was Champion at Dressage at Devon two years in a row and her great-grand-dam, Libella V, was the imported foundation mare of US Olympic Dressage rider Hilda Gurney's breeding program. Libella V is the mother of her Grand Prix mounts Lavinia and Leonidas and of her FEI competitor, Luminence. Sire, Balta'Czar is by another "Hunter Sire of the Year, Alla'Czar. This line is well known for producing very quiet, easy to ride offspring.

With a Balt'Amour foal you will get a perfect combination of great looks with chrome and no chestnut, in a quiet, easy horse with fantastic athletic ability.
