BIO AND PERFORMANCE RECORD:

C. Quito is a 16.2 hh imported stallion by Parco by Darco, currently the leading sire for The World Breeding Federation for Sporthorses as well as The USEF from 2007 – 2011 Parco, himself, is the most successful licensed son of Darco with numerous victories as a member of the Belgian Nations Cup Team and of World Cup Qualifiers and Finals.

International show jumpers spotlight the dam's side of Parco as well. Quinta, the dam of C. Quito, also grey, is by V Latano, by Landgraf I.C. Quito inherited the exceptional attitude of the line and performs equally well ridden by a professional or an amateur. He has a huge step, beautiful feet and top-line, plenty of bone and a refined head and neck. All of his offspring share his presence, top-line and size. "High Illusion" was awarded the KWPN 2012 Keuring North American Hunter Champion for foals and weanlings.

He has an endless work ethic, the scope of a jumper and the style of a hunter!
