BIO AND PERFORMANCE RECORD:

Chaqui Z is a young stallion who is already showing his talent with a successful first year in America. He earned top placings in Wellington in the 8 year old division, and won the CSI2* New Albany Classic on his first international Grand Prix outing. As a youngster in Europe, he was a finalist in the World Breeding Championships at Zangersheide at ages 5, 6, and 7.

Chaqui Z's sire, the late Chacco-Blue won the jumping index at the German stallion performance test and won over 30 young horse jumping classes judged on style and ability. Chacco-Blue produces progeny with modern style, scope, technique and blood. His dam's sire, Quinar Z was a top performer at the 1997 Holsteiner stallion selection. Quinar Z is the result of the well-tested combination Quidam de Revel with a Holsteinder mare, other stallions with similar breeding include Quaprince Z, Quite Easy, Quantum and Verdi.

With his strong pedigree, classic style and scope, Chaqui Z is proving to be a top performance stallion, and a Spy Coast Farm is looking forward to our first offspring from Chaqui Z in 2015.
